To Whom It May Concern:

Enclosed please find two copies of the Notice of Decision (NOD) for the Final Subsequent Environmental Assessment (SEA) prepared for Proposed Amended Rule 1110.2 — Emissions from Gaseous- and Liquid-Fueled Engines. The Final SEA for PAR 1110.2 was prepared pursuant to CEQA and the South Coast Air Quality Management District's (SCAQMD) certified regulatory program. The CEQA document was certified by SCAQMD's Governing Board at its December 4, 2015 Public Hearing. Please record and post the NOD according to the provisions of CEQA.

SCAQMD Rule 110 requires that written responses to public comments on a SCAQMD CEQA document be filed with the Secretary of Resources along with the NOD. No comment letters were received on the Draft SEA during the public comment period.

It was determined that the proposed project qualifies for the "no effect" fee exemption in accordance with recently revised Department of Fish and Game Code §711.4, Title 14, California Code of Regulations (CCR) and, therefore, a copy of the signed Fish and Game "no effect" fee exemption form is attached to prove compliance and ensure immediate posting of the NOD.

Please confirm receipt of one copy of the NOD and return it to the undersigned. Two return envelopes have been provided for your convenience (one for the confirmed copy upon receipt, and one for the original NOD to be returned after the posting period). If you have any questions, please call me at (909) 396-3176 or Jeff Inabinet at (909) 396-2453.

Sincerely,

Diamond Bar, CA 91765

**Subject:** FILING OF NOTICE OF DECISION IN COMPLIANCE WITH §21080.5 OF THE PUBLIC RESOURCES CODE

**Project Title:** Final Subsequent Environmental Assessment (SEA) for Proposed Amended Rule (PAR) 1110.2 – Emissions from Gaseous- and Liquid-Fueled Engines

**Lead Agency:** South Coast Air Quality Management District (SCAQMD)

**SCAQMD Number:** 150728CC  
**SCH No.:** 2015071072  
**Contact Person:** Jeff Inabinet

**Date Certified:** December 4, 2015  
**Telephone Number:** (909) 396-2431

**Project Location:** The SCAQMD has jurisdiction over all of Orange County, the urban portions of Los Angeles and San Bernardino counties southwest of the San Bernardino and San Gabriel mountains, and nearly all of Riverside county, with the exception of communities near the state border.

**Project Description:** The proposed project affects all stationary and portable engines over 50 rated brake horsepower within the SCAQMD jurisdiction. Rule 1110.2 limits NO<sub>x</sub>, VOC, and CO emissions from the combustion of gaseous- and liquid-fueled engines. Under PAR 1110.2, biogas-fired engines would have additional time to comply with the rule's emission limits. Additionally, limits will be placed on the number of breakdowns and emissions during breakdown events for all engines. Other minor changes are proposed for clarity and consistency throughout the rule.

This is to advise that the SCAQMD has approved the above described project and has made the following determinations regarding the above described project:

1. The project will have a significant impact on the environment.
2. Since feasible mitigation measures to reduce impacts to less than significant were not identified for this project, mitigation measures were not made a condition of the approval of this project.
3. Since mitigation measures were not made a condition for approval of this project, a mitigation monitoring program under PRC § 21081.6 was not adopted for this project.
4. Findings pursuant to CEQA Guidelines §15091 were adopted for this project.
5. A Statement of Overriding Considerations pursuant to CEQA Guidelines §15093 was adopted for this project.

The Final SEA, supporting documentation, and record of project approval may be examined at: SCAQMD, 21865 Copley Drive, Diamond Bar, CA 91765.
